

Little Patriots 2010

Little Patriots Children's program begins Friday evening and continues all day Saturday.

Little Patriots 2010 is just around the corner! We are excited about what is planned for this year's conference. All children ages 6-12 are invited to join us as we learn about how we are purpose-driven life. Your children will have a great time learning them each individually and uniquely with His purpose in mind. We accomplish this through fun songs, crafts, powerful object lessons, amazing history stories, and memorable skits. The staff of Little Patriots 2010 whole-heartedly invites you to attend this exciting conference. Please complete the Little Patriots registration form and **RESERVE YOUR SPOT**. Space is limited. Siblings are normally placed together on the same team unless otherwise requested. Also, if you are interested in volunteering to assist in Little Patriots 2010 and you're 15 or older, please go

to www.GHEA.org and download the application for Little Patriot workers, fill out the application and mail to the address printed at the bottom. Teacher training is scheduled for March 21st. Our volunteers are great and vital to this ministry, and we have a blast every year! We are really excited about what God has planned and can't wait to meet the children He desires to bless! We really hope to see YOU this May for Little Patriots 2010!

God's masterpiece and how to live a
how God has made
